3. Selected First 10 questions,
sent in advance, will be answered by
Prof. Dr. Barry J Marshall

About Prof. Dr. Barry J Marshall

- ❖ 1982 - Discovered H-Pylori
- ❖ 2005 - Awarded Nobel Prize for Medicine along with Prof. Robin Warren
- ❖ His discovery changed the medical perception for gastritis and Peptic Ulcer, from physiological basis to infectious cause.
- ❖ He is the second most popular and high-profile Nobel Laureate in history
